How to allow Pop-ups on Firefox for Turn It In

1) Go to the menu option seen here in the upper right hand corner of the browser.

![Firefox menu](image1.png)

2) Click the gear labeled “Options”

3) A window will open. There are tabs at the top. Click the one that says “Content”

![Firefox options](image2.png)

4) Click “Exceptions”

![Firefox exceptions](image3.png)

5) Type in “sbu.edu” in the window, then hit allow. All pop-ups from any SBU website should be allowed.
